

Produced by SATIS (Southern Africa the Imprisoned Society)

Dear Foreign Secretary

I/We* write to express our grave concern at the growing number of cases involving the imposition of the death penalty by the South African authorities against those sentenced for their alleged involvement in activities relating to opposition to the apartheid system.

I/We* believe that the British Government should intervene immediately with the South African authorities to stop all apartheid executions.

I/We* would be very interested to know what steps the British Government has taken over this matter.
