NO ARMS FOR APARTHEID ! DECLARATION BY TRADE UNIONISTS

We the undersigned members/delegates of our unions, declare our total opposition to any sale of arms to the South African Government;

Such sales will give military, political and moral support to the apartheid regime;

We believe that the freedom of the African worker, including full trade union rights, can only be achieved by ending apartheid. Any policy which serves to strengthen apartheid is therefore against the interests of the majority of South Africans;

Therefore, we call upon all trade unionists and workers in Britain:

(a) through their trade unions and the labour movement, to resist by all lawful means the Conservative Government's proposals;

(b) to use their influence with employers to oppose South African arms contracts;

(c) to take whatever action may be necessary to prevent a British sell-out to apartheid;

and (d) not to emigrate to South Africa.
