# **SIGN THE PENNY PLEDGE**

---

***not to buy South African Goods***

■ This boycott is requested by organisations representing the majority of the South African people.

■ They know that the boycott will cause them hardship too - but so will the violence which they want to avoid.

***... and get your friends to sign***

*Pledge forms—from the Anti-Apartheid Movement,  
200 Gower Street, London, N.W.1. (Tel. EUSon 2763)*

## **LOOK AT THE LABEL BEFORE YOU BUY**

*Do not buy any goods unless you are certain they did not come from South Africa.*

*Remember that, to beat the boycott, some importers are marking South African goods as "Empire Produce".*

*If you are not certain, ask the Shopkeeper*
