

# PLEASE DON'T BUY THAT BLOODY ORANGE!

(OR ANY OTHER SOUTH AFRICAN GOODS: FRESH FRUIT,  
TINNED FRUIT, FISH, SHERRY, WINE, COAL, TOOLS.)  
see over....

## DON'T BUY PRODUCTS OF APARTHEID - WHY?

- \* Because apartheid is a unique system of semi-slavery and institutionalised racism.
- \* Because the leaders of the black people in South Africa and Namibia have appealed to the outside world to support their struggle for freedom by boycotting all apartheid goods.
- \* Because the boycott will deny economic support to the Pretoria regime which desperately needs foreign exchange to buy arms, fuel and other resources in order to maintain the apartheid system and to expand its war machine.

That is why, in a message smuggled out of prison, Nelson Mandela declared: 'Every effort to isolate South Africa adds strength to our struggle.'

SUPPORT ALL THOSE STRUGGLING FOR FREEDOM IN SOUTHERN AFRICA  
DON'T COLLABORATE WITH APARTHEID

## WHY DO WE SAY BLOODY?

We can't tell you all you need to know about 'South Africa in a leaflet, but anyone who has watched the news recently will know that it is no exaggeration to say there is blood on South African products:

Blood of all those who have tried peacefully to organise black trade unions, been arrested, tortured, murdered.

Blood of workers treated as slaves, whipped and beaten.

Blood of those forcibly removed from rich lands to die of starvation and disease on barren ones.

Blood of those arrested under the pass laws for being the wrong colour, in the wrong place, at the wrong time, sent to work wageless on the rich white farms picking fruit etc.

## MUCH OF THIS BLOOD HAS ALSO BEEN CHRISTIAN BLOOD!
